Vulcan Couple Celebrate Diamond Wedding

Picture by Saxby
(By Gen Sales)

Recalling drought, frost, crop failure and other hardships that plagued the early settlers of the west, Mr. and Mrs. Barney Lommatzsch of Vulcan reminisced on the occasion of their Diamond Wedding Anniversary, which they celebrated Saturday, Jan. 17.

Mr. and Mrs. Lommatzsch, who are 82 and 80 years, respectively, received the best wishes and congratulations of a host of friends, who called at their home Saturday afternoon and evening, when the couple's two daughters, Mrs. Alma Harris of Sandon, B.C., and Mrs. Jack Denbigh of Vulcan, entertained in their honor.

Barney Lommatzsch and Emma Radandt were married at Lake Delton, Wis., Jan. 17, 1899, coming to Canada and Nanton in 1907. Four years later they came to the Vulcan district, where they homesteaded and where they have continued to live until the present time, three and one-half miles from town.

Mr. Lommatzsch, besides being an active farmer, is best remembered for his organization of the Vulcan Co-op in 1912, which he continued to operate for the next five years, and for his fox ranch, which he named the Sunny Alberta Silver Fox Farms. As well and planting and harvesting his fields. Mr. Lommatzsch continued to operate his silver fox farm for 21 years. He also maintained a finishing ranch for foxes, at Millerville, and in some years pelts as high as 450 skins. Starting as a rank amateur, he studied and experimented in the raising and perfecting of the small animals, to produce truly beautiful furs.

Mrs. Lommatzsch recalled the day, in homesteading times, when she and her small daughter, returning home by horse and buggy, were chased by a pack of coyotes. Luckily the horse was speedier than the coyotes.

Mr. Lommatzsch is a member of the Vulcan IOOF Lodge and the Woodsmen Lodge. Both Mr. and Mrs. Lommatzsch are long-time members of Cloverleaf Rebekah Lodge.

A beautiful decorated three-tiered wedding cake, flanked by bouquets of roses, centered the tea table. One bouquet, presented to the honored couple by their family was of red roses with white carnations forming a diamond in the center and with the numerals 60 traced in silver. Another beautiful bouquet of red roses was a gift from the High River Florists. The couple were recipients of a number of lovely gifts, cards and telegrams of congratulations. Among the telegrams received and of which Mr. and Mrs. Lommatzsch were especially proud, was one from the Queen, extending best wishes. There was also one from Prime Minister Diefenbaker and one from Laurence Kindt, the Member of Parliament for the constituency. Other were received from relatives and friends who were unable to be present.

Mr. Lommatzsch presented his bride of 60 years ago with matched diamond-set engagement and wedding rings. The couple also presented their son-in-law and daughter, Mr. and Mrs. Jack Denbigh, who celebrated their 12th anniversary on the same date, with wrist watches.

The other Lommatzsch daughter,

Mrs. Harris, observed her birthday on the 16th, the day before the anniversary, and she too came in for a part of the festivities.

Mrs. Lommatzsch is bright and active, still doing much of her own house work, as well as taking a hand in caring for her husband, who has been confined to his bed much of this winter. Their years and the busy life they have lived make Mr. and Mrs. Lommatzsch a remarkably interesting couple to talk to, and they still enjoy reading and television.

Their two young grandsons, Michel and Joe Denbigh, provided a considerable bit of the afternoon's program, with their songs and skits.

The Blackie High School rink won the District Six playoffs in Vulcan Saturday and Sunday with a record of six straight wins. Towns represented were Blackies, Carseland, Milo, Mossleigh, Champion and Vulcan. The winning rink of David Paradee (skip), Geo. Groeneveld, Bruce Thurber and Bernie Groeneveld won both sections of the double knockout competition, defeating Milo in one section final and Champion in the other. They now advance to the Taylor Pearson Carson southern Alberta Playoffs to be held in Red Deer Jan. 29, 30, 31.

District 6 Brier Playoffs will be held in Vulcan Saturday and Sunday, Jan. 24 and 25. The rink to represent Vulcan will be decided this Wednesday in a playoff between the rinks of B. Armstrong and J. Wolfe.

65 Players Compete

Four Badminton Clubs In Tournament At Vulcan

Sixty-five Badminton enthusiasts from Lomond, Armada, High River and Vulcan spent last Sunday afternoon and evening in competition at the local Armouries as the Vulcan club hosts for the first such event of the season.

Men's Doubles, Ladies' Doubles and Mixed Doubles were run off during the course of the day. The large numbers responding to the invitation play were almost more than could be adequately handled on the two courts but local president Harvey Robertson and Dave Mitchell concluded the draws during the evening session. From the primary and secondary events of each of the three competitions, Vulcan teams came up winners in three, Armada teams won two and High River was named in one.

Men's Doubles

Primary event went to Schnieder and Petrosky of Vulcan over Wright and Fraser of Vulcan.

Secondary winners were Don Mitchell and Larkins, Vulcan, over Huff and Maranda of Lomond.

Ladies' Doubles

Armada players dominated this competition with Stokes and Myers defeating Chambers and Stokes in the first event and Bennett and Boe winning over Marks and Tyler in the second.

Mixed Doubles

Vulcan took the primary event with Nicholson and Larkins beating Don Hawk and "Fudge" of High River.

In the secondaries it was N. Hawk and Johnson of High River over Stokes and Stokes of Armada.

A cold supper was organized and served by the Vulcan ladies committee, and many interested spectators were in the balcony to watch the play.

The prime purpose in these invitation events is to develop badminton in Vulcan and the surrounding towns and to encourage more people to take advantage of the clubs and the facilities. In last Sunday's play the draw committee attempted to make up the competing teams so that those with less experience would be paired with more experienced players, giving everyone an equal opportunity as was possible.

More beginners would be welcomed to the Vulcan club and the same appeal comes from the Lomond and Armada groups. Lady members are particularly needed in the Vulcan club and it is felt that there are many who would like to take up the sport but are backward about appearing on the courts with those with several years play behind them. In each of the above-mentioned clubs there are experienced members able to explain the game and accustom the beginner to court play and assist him or her during the early stages of the game.

Golden Wedding At Champion

On Monday, Dec. 29, open house was held at the home of Mr. and Mrs. John Schauerman of the Champion district, the occasion being their Golden Wedding Anniversary.

During the afternoon and evening over 115 friends and relatives called to congratulate the happy couple. Presiding at the tea tables were Mrs. Clarence Nelson, Mrs. Mae Chamberlin, Mrs. Margaret Larkins, Mrs. H. Gloer and Mrs. H. Aninger.

Mr. and Mrs. Schauerman received a gift of two comfortable rocking chairs from their friends of the community. Henry Lebsack, nephew of Mrs. Schauerman, in a few fitting words, made the presentation and recalled that as a small boy, he remembered being present at the wedding 50 years ago, which took place in Mr. Schauerman's father's home in Brundage, Russia.

The Schauermans received many nice cards and several bouquets of flowers—some coming from the children who could not be present. These were: Mr. and Mrs. Jack Robinson (Frieda) of Toronto, Mr. and Mrs. Sam Schauerman of Toronto and Mr. and Mrs. Carl Schauerman of Estevan, Sask.

Those of the family who were there were Mr. and Mrs. Alex Schauerman and family, Mr. and Mrs. Clayton Clarkson (Marie) of Vulcan and family and Mrs. Jim Southworth (Bertha) of Calgary and her daughter Helen.

Mr. and Mrs. Schauerman have thirteen grandchildren.

SERVICE BOARD NOTES

By H. S. Burns

Often in the course of our work the question arises as to the possibility of stock becoming poisoned by consuming hay or grass that has been sprayed with 24D, Mepa, 245T, Brushkill, etc. In October of 1958, the Veterinary Laboratory in Edmonton conducted some very extensive tests in this regard and find that the chances of an animal consuming enough hay or grass to become poisoned are very small indeed, or for that matter to be even mildly affected by it.

In the tests it was found that an acute toxic dose for a 1000 pound animal not less than 45 grams per pound of animal; this would be the amount contained in 37.7 gallons of spray material. Animals forcibly consuming these amounts became ill in two hours and continued for 10 days with slow improvement after which they were slaughtered for autopsy findings. Certain plants containing prussic acid are toxic if wilted, and if wilted by spraying are not any more so.

In the tests were used 24D, Mepa and brushkill mixtures. It appears that of the small animals tested, the dog was the most susceptible.

The complete report of these tests is on file in our office and can be seen at any time.

Freight Rates

Don't be influenced by the beginnings of a subtle campaign to convince the majority of Canadian people that the Crows Nest Pass freight agreement is a great injustice to Canada as a whole. We have heard the reports of the President and Vice-President of the CPR, where it is claimed that this restrictive legislation is so antiquated, dating back to 1899, and places such a burden upon the railways through its fixed freight rates on Canadian wheat and wheat products being transported to the Lakehead and to the Western seaport terminals. The railways say they have figures to prove that this business is hauled at a loss . . . but they don't tell you of the massive tonnage that is hauled from Eastern Canada to the Pacific Coast at even lower rates than the Crows Nest Pass rates on Western Canada wheat. They do not tell you that more than 90 percent of the industrial traffic, which is largely concentrated in Ontario and Quebec, is hauled at a lower rate than the Crows Nest Pass freight rates. No wonder Ontario and Quebec did not join the dissenting voices of the other eight provinces in protesting against the request of the railways for that 19 percent increase in rates that yielded them 17 percent. We hope Prime Minister Diefenbaker will have the intestinal fortitude to venture into Canada's freight rate structure and uncover many of the inequalities towards the consuming public. At the moment, it is one of the greatest tragedies in the Canadian economy.

Strikes Don't Pay

Steelworkers in Hamilton, Ont., went back to work recently after nearly three months on strike for more pay.

Under the terms of the new contract, each man stands to gain \$758 in increased wages between now and expiry of the contract in August, 1961.

But, while they were idle, the strikers each lost wages to the tune of \$1,100. Thus, even when the next three years earnings are taken into account, the cost of the strike to each man and his family is well over \$300.

Could there be a more eloquent commentary on the futility and senselessness of such strikes in this day and age?

Letters to the Editor

To the Editor of The Advocate,
Dear Sir:

A series of articles on farm problems and progress could be of considerable value, so let us use some of our spare time this winter.

There are none so blind as those who refuse to see with regard to agriculture and other walks of life.

Unfortunately we have no Henry Wise Woods to direct us, so we are just doing the best we can. We spend on the farm ten hours a day in faithful production of the things necessary for the existence of man and refuse to sit down and

Please phone any news items to your local correspondent. It will be much appreciated.

The regular monthly meeting of the Home and School Association was held at the school on Wednesday evening, Jan. 14. Program was TV influences on children; also a skit, followed by a discussion on same.

Friends will be pleased to learn that Leonard Huff is at home again after receiving medical attention in Calgary.

Sincere sympathy is extended to the Brotherhood families from their many friends in Lomond and district at news of the death of Mrs. Rose Brotherhood.

A new automatic oil furnace has been installed in the Lomond Community Hall by the Lions Club and the hall is now quite comfortable in the cold weather.

The Village Council would like a discussion at the next Lions Club meeting on the possibility of organizing the residents of Lomond to co-operate with the village in purchasing community fire fighting equipment. Jack Stewart, Alberta representative of the Saskatchewan Fire Engine Co. Ltd., will be a guest at the next Lions Club meeting and will give the members all the information he can.

Visitors in Great Falls, Mont., last weekend were Mr. and Mrs. Hirst Goldthorpe, Mr. and Mrs. Floyd Sande, Mr. and Mrs. Earl Heiland and Mr. and Mrs. Mervin Liebrich. They were attending the mid-winter cabinet meeting of the Lions Club held Jan. 17.

Attending the Lions Club Bonspiel and inter club meeting in Vulcan on Thursday, Jan. 15, were two rinks from Lomond including Lions Merle Sande, Leonard Chase, Karl Pederson, Vern Williams and Lions Tim Ost, Henry Huff, Floyd Howg and Aubrey Root.

Mrs. Guido Zambaldi spent several days last week visiting relatives in Lethbridge.

Curling has been the main attraction in Lomond the past week with a full week without enough warm weather to spoil the ice.

Friends will be pleased to learn that Ed Rainey has returned home after an operation in a Lethbridge hospital.

Congratulations are extended to Mr. and Mrs. Bob Dudgeon on the birth of a daughter in the Vulcan

Hospital on Monday, Jan. 5. Name: Sherill Lynn, a sister for Terry.

Friends will be pleased to learn that Mrs. Vern Williams has returned home after being a patient in the Vulcan Hospital.

Mrs. Merl Pearson and son Vern spent last weekend visiting relatives in Edmonton.

Birthday Club

The January meeting of the Birthday Club was held at the home of Mrs. J. W. Chambers on Jan. 8. The meeting opened by singing, "Give Yourself a Pat on the Back." Eleven members answered roll call by showing their wedding picture or the nearest thing to it.

Among many other business items discussed, it was decided to hold a card party in the Badger Lake School on Jan. 17, and that we would purchase some new decks of cards. It was also decided that we'd send a donation to the "March of Dimes."

Mrs. Chambers was honored, as her birthday is this month. Closing song was, "I Like Mountain Music."

Mrs. Isabelle Volesky gave a very interesting contest about cooking weights and measures which was won by Mrs. Zuba. There was a draw for consolation prize and Mrs. McAllister won. Mrs. Ellen Johnstone won the nickel draw.

The hostess and her assistants served a lovely lunch to close a pleasant afternoon.

BRANT

Mr. and Mrs. Ed Auld and Ken and Colleen, accompanied by Mrs. Ira Rhodes, motored Saturday to Lamont, Alta., to attend the capping ceremony of their daughter, Miss Sharon Auld at the Lamont United Church Hospital Saturday evening.

Mr. Sjogren and grandson, Allan Sjogren of Rumsey, motored Sunday to visit his son, Charlie Sjogren and to take home his wife, Mrs. Sjogren, Sr., who had been visiting for the past week with her son and family, Mr. and Mrs. Charles Sjogren and three children.

Ladies' Aid met with 13 members present. Devotion was given by Mrs. Alf Lawson. Subject: Repentance. During the business session it was decided to carry on with the Polly Annas, and decided also to sponsor the cancer drive. A lovely lunch was served at the close of the meeting by Mrs. Brant Parker and Mrs. Floyd Olsen.

Home and School Association

At the Home and School Association meeting the program was based on a curriculum news letter on the subject of Technical Education, which is a current issue in the educational field. A survey of parental opinion on the importance of industrial arts and vocational training had been requested by the senior high school Curriculum Committee, seeking the answers to such questions as: "Are Industrial Arts a Frill, that should be eliminated?" "Do these courses fill a real need in your community?"

A humorous skit served to in-

troduce the subject with R. Gothard, A. Ferguson and J. Rhodes representing the "Summer in Commission."

Representatives from numerous organizations previously unheard of presented brief to the commission requesting High School courses on subjects ranging from moon travel to flying fish, etc. The "commission" members then assumed their places as leaders of small discussion groups to consider the desired survey, and later groups reported their finding to the general meeting. Based on this information, a report will be sent to the curriculum committee.

J. M. McKay, school board chairman, contributed much information to the discussion by explaining the difficulties encountered by the School Board in administration of the Industrial Arts Program in the rural areas and some possible solutions which are being considered. The program appeared to be of considerable interest to the parents.

After defeating Nobleford and Raymond, they went down to defeat at the hands of the Lethbridge rink, who will go on to Taber to play in the district playoffs.

Library Notes

New books which are popular this month are: A Man had Tall Sons, by Martha Ostenso; The Mapmaker, by Frank Slaughter; Daybreak, by Frank Slaughter; The Stars Make Room, by Nancy Jones; Repent at Leisure, by Joan Walker.

Our draw sponsored by the Library was held at the Home and School meeting on Thursday evening, the lucky winners being Mrs. R. Schultz, the electric griddle, and W. A. McIntyre the electric tea kettle.

Home and School Association

The Champion Home and School held its regular monthly meeting on Thursday, Jan. 15, at 8 p.m., in the school auditorium. Due to the absence of the president, Mrs. Griffin, the vice-president, John Worthington opened the meeting with the singing of, "O Canada". Mrs. G. Hummel was at the piano. The minutes of the Nov. 3 meeting were read and adopted. The treasurer's report was adopted as read.

Bud Schneider made a presentation of the draw for the tea kettle and griddle which were won by Mrs. Lois Schultz and J. McIntyre, respectively. The "Symposium" scheduled for this meeting was further explained and is to be held at the next meeting of the Home and School on Feb. 16.

After discussion a committee was appointed to look into the possibility of having the Coalville Little Theatre group present a play here in the near future.

Mr. Mullinger explained the merits of the St. John's Ambulance Corps and afterwards presented the following with certificates for having completed their course in First-aid: Gordon Carlson, Donald Versluys, James Smith, Edwin Lundberg, Gerald Lundberg, Gladys Davey, Edith Nowlin, Ernest Nowlin, Helen Fontana, Elma Fontana, Agnes Allen and Russel Stange.

At the close of the regular business meeting, Mr. Cummins introduced the speaker of the evening, Inspector Walls, of the Highway Traffic Board. Inspector Walls' lecture was most interesting and instructive and we trust will be of untold value to all who heard. A movie, "At the Crossroads," filmed in Calgary, was then shown by Inspector Walls, after which a very profitable evening was brought to a close by the singing of "God Save the Queen."

Ladies' Auxiliary

The Ladies' Auxiliary held the first meeting of 1959 on Tuesday, Jan. 13. Two members were welcomed to the Auxiliary, Mrs. Mundle and Mrs. Joyce Knight.

After a short business meeting, election of officers took place with the following results: President, Helen Fontana; 1st vice-president, Helen Wolfe; 2nd vice-president, Peggy Bach; secretary-treasurer, Olive Howerton; sergeant-at-arms, Madge Anderson; executive committee, Betty Petronech, Agnes Kuziw, Elva Stewart, Joan Palk and Ione Fisher. Mary Briggs, zone commander, installed the incoming officers.

Helen Fontana upon taking her place in the chair expressed the hope she would be able to carry on as well as the past president, Rhea Versluys had.

After the closing rites, refreshments were served. Mabel Mundle won the raffle.

The Auxiliary held its first card party of the season in the Legion Hall on Jan. 14. Five tables of whist and three tables of bridge were in play. The following were prize winners—Bridge: Ladies' high, Mrs. A. Orcutt; ladies' low, Bill Diemert; men's high, Tom Doyle; men's low, Tom Knight. Whist: Ladies' high, Mrs. Bell; ladies' low, Mrs. E. FURNITURE IS MY LINE

By Bruce Morgan
A Weekly Information Column

"There is hardly anything in this world that someone can not make a little worse and sell a little cheaper and the people who consider price alone are this man's lawful prey."
—John Ruskin.

This quotation is foremost in my mind when, in my daily occupation, I encounter people who have bought inferior merchandise at a "tremendous saving" and found out to their utter dismay that it had given up the ghost long before they made their final payment on it.

There is a definite place for very cheap furniture. Many a family, at some time or other, has to purchase the cheapest possible to get by with until they can manage a more permanent investment. For this reason, even the most reputable retail store carries a stock of this merchandise. However, far too many homemakers, confused by the large price differential of seemingly similar merchandise, purchase these low-price goods believing that they are acquiring real bargains, and expecting years of hard wear and comfort. Before long they realize how wrong they were and when they investigate a little further they find out that, had they spent just a little more when they purchased their suite, they would have been well satisfied.

We can not protect everybody from buying the wrong furniture, but we can make sure that those people who buy our merchandise will be well pleased with their purchase.

Remember we watch our interests by watching yours.

KOSENK — RICHARDS

Christmas decorations together with baskets of white pom-pom and daisy chrysanthemums, ferns and silvered leaves formed an attractive setting for a pretty wedding at Pleasant Heights Baptist Church in Calgary on Dec. 23, at 5 p.m., when Mertie Anne, youngest daughter of Mr. and Mrs. Dwight Richards of Arrowwood, became the bride of Joseph Paul, youngest son of the late Mr. and Mrs. William Kosenk of Bashaw, Alta. Rev. T. Seeley officiated at the double-ring ceremony.

Given in marriage by her father, the bride looked charming in a white cocktail length dress of brocade bengaline, with fitted bodice trimmed at the neckline with pearls and sequins and bouffant skirt. Her chapel veil was held in place by a head-dress of pearls and sequins and she carried a cascade bouquet of red roses and tiny white mums tied with long streamers of white brocade ribbon. Her only ornament was a

diamond studded gold cross, pendant on a gold chain, the gift of the bridegroom.

The bridesmaids were Miss Margaret Ingraham, cousin of the bride and Miss Annie Kosenk, sister of the groom. They wore cocktail length dresses of turquoise brocade bengaline with matching feather head-dresses and net mittens and carried cascade bouquets of Ko-ko-mo carnations. Their necklaces and earrings of crystal were gifts of the bride.

The best man was John Berezowsky and Beuford Culp was usher. During the signing of the register Miss Rose Norton sang, "O Perfect Love," accompanied at the piano by Mrs. Grace Winters.

Following the ceremony a reception for sixty guests was held at Club "21". The bride's table was centered with a three-tiered wedding cake embedded in white tulle and circled with tiny red rosebuds. Rosebuds were also used to decorate the top of the cake.

The bride's mother chose for the occasion an afternoon dress in misty blue with a dusty pink hat and gloves and a corsage of pink carnations.

The bride's uncle, R. Beacome, of Mossleigh acting as toastmaster, called on Rev. Seeley to propose the toast to the bride. The groom responded fittingly and then proposed a toast to the bridesmaids which was replied to by John Berezowsky, best man. Telegrams of congratulations from Fairview

Curling News

The winners in the Mixed Bonspiel were: First Event, Leonard Northcott's rink, Irvin Sukut's

A young man heard Dr. A. T. Pierson preach and trembled under the faithful preaching of the Word of God. He did not yield to the claims of Christ however, and 25 years passed. The same man, young no longer, was riding with Dr. Pierson at a funeral, and told the preacher bluntly that he thought he was losing his power, because he said, "Your preaching today did not 'fles' on me." Dr. Pierson was silent a moment and then he began to weep. The man was quite apologetic but the preacher said, "I am not weeping for what you said about me, but I fear your heart is so hardened that the preaching of Christ and your need of His salvation, no longer affects you."

Oh, turn while the Savior in mercy is calling,
And steer for the harbor light;
For how do you know but your soul may be drifting,
Over the dead line tonight!
The Holy Ghost saith, Today if ye will hear His voice, harden not your hearts.

I'm a Prescription

I know you didn't want to purchase me, because it means that you or someone near you is ill. Your doctor prescribed me, and you have had to buy me. I also know that you would have preferred to spend the money for something you want—or for a little gift which would lift the spirits of the dear one who is ill. Yes, I know, and I understand. But those things you prefer to buy would have absolutely no value if you did not have the good health to enjoy them.

It would appear that 15 or more years ago I cost you a lot less, but this is not so. Actually, I was very ineffective and unspecific back in those days. In fact, in most cases I merely relieved pain and tried to bring some measure of comfort. Consequently you had to take me back to the drug store for refilling many times and, of course, this meant that the illness was usually long-lasting and pain and discomfort had to be endured for some time. Many times, more serious illness followed.

My true value is not measured in cost alone. Consider these facts. Today I'm specialized to fit your individual needs. I'm no longer a "hit or miss" proposition. Generally I bring faster recovery so that there is less damage to the body. I reduce the number of work days lost and I shorten hospitalization time or eliminate it altogether. Because of me, diseases which were one time serious and sometimes fatal are practically non-existent. For instance, operations for mastoid infections are a rarity today; cases of appendicitis are now routine; diphtheria, too, is a rarity.

I know you didn't ask to be sick. I know you didn't deserve to be sick. I know you didn't want to purchase me. I know I don't look like much—but I'm POTENT and EFFECTIVE.

Truly, I'm the BIGGEST BARGAIN in your family budget. GET WELL SOON.
